at the turn of the twentieth century the publishing industries in Britain and the United States underwent dramatic expansions and reorganization that brought about an increased traffic in books and periodicals around the world focusing on adventure fiction published from 1899 to 1919 Patrick Scott Belk looks at authors

such as Joseph Conrad, H. G. Wells, Conan Doyle and John Buchan to explore how writers of popular fiction engaged with foreign markets and readers through periodical publishing. Belk argues that popular fiction, particularly the adventure genre, developed in ways that directly correlate with authors' experiences and shows that popular genres of the late nineteenth and early twentieth centuries emerged as one way of marketing their literary works to expanding audiences of readers worldwide. Despite an over-determined print space altered by the rise of new kinds of consumers and transformations of accepted habits of reading, publishing and writing, the changes in British and American publishing at the turn of the twentieth century inspired an exciting new period of literary invention and experimentation in the adventure genre, and the greater part of that invention and experimentation was happening in the magazines.

Hannay lets the American hide in his flat and returns later to find that another man has been found shot dead in the same building, apparently a suicide. Four days later, Hannay finds the American stabbed to death.

The Insider's Book recommends over 200 classic crime novels from masterminds Raymond Chandler and Patricia Highsmith to modern hotshots James Elroy and Patricia Cornwall. You'll investigate gumshoes, spies, spooks, serial killers, forensic females, prying priests and patsies from the past, present and future. Complete with extra information on what to read next, all movie adaptations and illustrated throughout with photos and diagrams, all the evidence that counts.

A man is killed in Richard Hannay's home. Before his death, he tells Hannay a dangerous secret. Now Hannay's life is in danger. Who are his enemies and what are they trying to do? And how will he solve the mystery of the Thirty Nine Steps? Cover p. 4
